Grosvenor Serviced Apartments

Westminster

Grosvenor Serviced Apartments are composed of 2-bedroom, 1-bathroom dwellings, with modern decor, and set within a safe and secure block in the very heart of Westminster - otherwise known as the area with the largest concentration of London's famed attractions. The location of these apartments simply cannot be beat. In addition to the proximity to the most historic landmarks, the block is actually directly on a charming laneway called Strutton Ground, which just exudes old English culture. Step out on the street, and you'll be within steps of some of the very best dining and entertainment options which a London visitor could want. Transportation, as well, is a breeze, as you're only steps from both the St. James & Victoria tube stations.

This is one of our most popular places to stay, and we are very confident that you will love the Grosvenor Serviced Apartments!
