Charing Cross Road Serviced Apartments
London

The apartments at Charing Cross Road Serviced Apartments are on the doorstep of Londons Theatreland; the galleries and fountains of Trafalgar Square are moments away, as are the bright lights and cinemas of Leicester Square. Start your day with a walk along the Mall to St Jamess Park and your evenings with drinks in nearby Soho before curtain call.

As you climb the stairs, youll enjoy the period stained glass, tiles and original stairwell. Weve also retained all the space of a Victorian mansion flat; you have a floor to yourself, all the amenities a modern visitor would expect, and a wonderful free-standing bath. Piccadilly Circus and Leicester Square Underground stations are within five minutes walk, while the train connections from Charing Cross reach various parts of South East London as well as Kent the garden of England.
